# SAHARA MOTORS GROUP

The 2025 Toyota Hilux Single Cab Pickup GLS-G 2.7L 4x2 MT is a workhorse built for serious performance and durability. With a tough yet refined exterior, it features bold halogen headlamps, front and rear steel bumpers, rugged 16-inch steel wheels, and functional side stripes that emphasize its utility-focused design. Whether you're navigating construction sites or open roads, its rear-wheel drive system and 2.7L VVT-i petrol engine, producing 164 HP and 245 Nm of torque, ensure confident handling and strong load-carrying capabilities. A 65L fuel tank combined with 10.1 km/L fuel economy helps you get more done with fewer stops. Finished with a practical bed liner and mudguards, this Hilux is engineered for tough jobs and long-term dependability.

Inside the cabin, the Hilux Single Cab combines simplicity with smart utility. Designed for up to three passengers, it features a durable fabric front bench seat and manual air conditioning to keep things comfortable on the move. The overhead console, sliding back window, and power windows enhance usability, while the 4.2-inch multi-information display gives you real-time insights at a glance. The touchscreen multimedia display supports Apple CarPlay, USB-A connectivity, and DAB radio, delivering modern tech in a work-ready package. Steering wheel-mounted controls make it easy to stay connected while focusing on the road. Designed to support your workflow, the interior balances robust build quality with thoughtful comfort, making every drive more productive and stress-free.

Toyota places a strong emphasis on safety, and the 2025 Hilux Single Cab is no exception. It comes equipped with dual front airbags, a driver knee airbag, and essential active safety features like ABS, Electronic Brakeforce Distribution (EBD), and Vehicle Stability Control (VSC). Hill-Start Assist Control (HAC) ensures you stay in control on inclines, while the Tire Pressure Warning System (TPWS) helps maintain optimal performance. The remote central locking system, power side mirrors, and engine immobilizer boost both security and ease of use. Front disc and rear drum brakes provide reliable stopping power even under load. With its strong suspension system and intuitive safety tech, the Hilux delivers confidence, control, and peace of mind, on any job, in any condition.
