# SAHARA MOTORS GROUP

On the exterior, the Sequoia 1794 Edition boasts a striking design with 20-inch machined-finish alloy wheels, auto-leveling LED headlights with sequential turn signals, and premium LED daytime running lights (DRLs). A power tilt/slide panoramic roof adds to its luxury appeal, while black-painted over-fenders, chrome-accented mesh grille, and "i-Force MAX" hood badge enhance its bold aesthetics. Chrome details, including "Sequoia" and "1794 Edition" badges, door handles, and mirror caps, emphasize its premium craftsmanship. The heated power outside mirrors with auto-dimming, turn signal, blind spot warning indicators, power-folding, and reverse tilt-down functions further add to its high-end appeal. For additional functionality, the Sequoia features a power liftgate with flip-up glass, front and rear mudguards, and a color-keyed tailgate spoiler.

Inside, the 1794 Edition is a masterpiece of luxury, featuring American walnut wood-grain trim, a leather-wrapped shift knob, and a laser-etched "1794 Edition" instrument panel badge. The soft-touch instrument panel, center console, and door surfaces elevate the cabin's refinement. A smart key system with push-button start, remote keyless entry with tailgate release, and remote illuminated entry provide effortless access. Comfort is a priority with heated and ventilated front and rear seats, leather-trimmed captain's chairs with adjustable armrests, and a 60/40 split, sliding, power-reclining third-row seat with adjustable headrests. The driver's seat memory function, one-touch access to the third row, and a multi-level adjustable cargo shelf system maximize convenience. The three-zone automatic climate control system with air filtration ensures customized comfort for all passengers, while rear-seat air vents enhance airflow.

Designed for both rugged adventures and luxurious travel, the 2025 Toyota Sequoia 1794 Edition Hybrid blends performance, innovation, and comfort seamlessly. With its powerful hybrid drivetrain, cutting-edge safety features, and premium interior amenities, this SUV is perfect for those seeking both capability and sophistication. Whether towing, off-roading, or cruising through the city, the Sequoia 1794 Edition sets a new benchmark for full-size SUVs.
