SAHARA MOTORS GROUP

The 2025 Toyota HiAce Delivery Van is built to meet the demands of today's fast-paced, high-volume businesses. Powered by a robust 3.5L V6 engine delivering 268 horsepower, it balances impressive performance with fuel efficiency, all while maintaining Euro 6 emissions compliance. With a reinforced chassis and a dependable 6-speed automatic transmission, this van ensures effortless handling, even under heavy loads. Whether you are navigating tight city streets or covering long delivery routes, the HiAce offers smooth acceleration, precise steering, and a reassuring turning radius of just 5.5 meters. Designed for businesses that value reliability and practicality, it is a smart investment for any fleet.

This HiAce is not just a workhorse, it's a reflection of modern utility and thoughtful design. Its bold dimensions, black bumpers, and silver front grille create a professional appearance on the road. The reinforced UV-cut windshield, colour-keyed mirrors with turn signals, and halogen headlamps enhance both style and function. Inside, the cabin offers comfort for three passengers with durable fabric seating and a centre seat airbag. A modern 8" touchscreen with Bluetooth, Android Auto, and Apple CarPlay keeps drivers connected. Practical touches like multiple glass panels, room separator curtains, a fire extinguisher, and USB charging ports enhance convenience, making every job easier and more efficient.

When it comes to safety and driver support, the 2025 HiAce leads its class. It's equipped with essential features like ABS, Vehicle Stability Control, Brake Assist, Emergency Stop Signal, Traction Control, and an automatic limited-slip differential for improved road handling. Dual front airbags, including a unique mini-clamshell design for the centre passenger, ensure comprehensive protection. Drivers benefit from a multi-information display, back monitor, tyre pressure monitoring system, and illuminated entry system. Additional conveniences such as power windows, keyless entry, power door locks, and an efficient AC/heater system elevate the driving experience. The HiAce delivers reliability, safety, and thoughtful technology in one package.
