SAHARA MOTORS GROUP

The 2025 Toyota Hilux Double Cab SR5 is built for those who demand power, reliability, and versatility in one rugged package. Its proven 2.7L 4-cylinder VVT-i petrol engine delivers a solid 164 horsepower, paired with a responsive 5-speed manual transmission and intelligent 4WD system. Whether navigating city streets, construction sites, or remote off-road trails, the Hilux ensures confidence with features like Vehicle Stability Control, Hill Assist, and Trailer Sway Control. This pickup is not just about muscle — it's about smart, dependable engineering you can trust in any terrain or weather, making it a perfect companion for work and adventure alike.

Inside, the Hilux SR5 strikes a fine balance between comfort and practicality. The spacious double cab comfortably seats five, with fabric upholstery and an automatic air conditioning system ensuring a pleasant ride no matter the journey. Modern conveniences like a rearview camera, premium audio with steering wheel controls, and wireless door locks enhance every driving experience. Thoughtfully designed safety features — including dual airbags, a knee airbag for the driver, and a tire pressure warning system — provide peace of mind for you and your passengers. Every detail reflects Toyota's commitment to delivering durable, high-quality vehicles with smart, user-friendly technology.

Visually, the 2025 Hilux SR5 makes a bold statement wherever it goes. Sleek LED headlamps, 17" black alloy wheels, and chrome accents on the door handles, mirrors, and grille lend a premium look to its tough frame. The steel front and rear bumpers with chrome step complement both its rugged capability and urban style. Practical touches like side steps, side mouldings, and distinctive side stripes enhance both function and flair. With a fuel tank capacity of 80 litres and dual driving modes — Power and Eco — this pickup is ready for long hauls and challenging conditions. It's more than a workhorse; it's a lifestyle statement.
